Health of our church and community

Worldwide healing from COVID-19

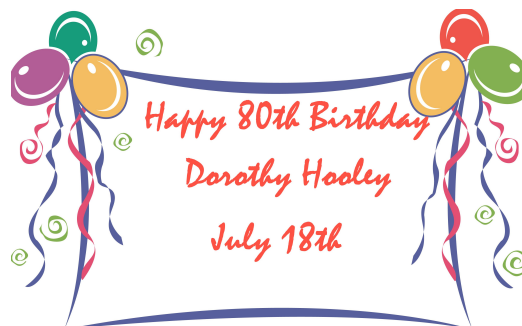

Our church family means a lot to us and we just want to thank all of you for your prayers during our illness. Your phone calls, texts, cards and food were very much appreciated. We are back to normal and feeling great. God has been very good - and above all else we praise and thank Him for his healing touch. God Bless each of You!

Phil & Dorothy Hooley

Thank you to everyone at Shore Church for all your prayers, food, text and phone calls of encouragement while we had the virus. We are all doing much better and recovering well.

MCC Water Project for Relief Sale 2020

It's time to think about saving for "Coins that Count" for the MCC Relief Sale Water Project. It may seem like more of a challenge this year, but we can use everyone's help. There will be opportunity to start donating August 2nd. Our MCC Calendars and information will be in your church mailboxes for you to pick up after our Worship time at the cabin. We'd like to encourage you to include your children. If you feel led to match funds as has been done in past years, please contact Doris Nisley. Our history of giving over the last four years is listed below. Let's all do our part and see what we can give to this project. Even though we can't physically go to the Relief Sale, we can all do our part in giving. You can contribute by bringing your coins into Kim in the church office Monday, Wednesday or Friday in a disposable container or bag. Or you can make checks out that can be designated for "Coins that Count". These can be dropped off to the church office, mailed in or put in the wooden offering box by the sanctuary.

Our Giving History for the last 4 years:

- 2016 - \$4,000
- 2017 - \$3,548
- 2018 - \$4,300
- 2019 - \$4,862

Joe and Katie Shinn will be moving to Indianapolis on Monday, July 20. They will be living in a nice assisted living apartment that is close to Katie's son, daughter and grandchildren. Please pray for Katie and Joe as they transition to their new home and community. Once they arrive, they will have to quarantine for 2 weeks because of COVID regulations. If you'd like to encourage them during this time you can do so by calling their cell phone numbers or by sending them cards and greetings to their new address:

 Katie - 574-329-2098

God Bless you Joe & Katie

You will be missed!

Are you wondering about the new Shoreline format? The church office is transitioning to MAC computers. The program used to format the Shoreline, in the past, is not available on the MAC version of Microsoft Word. So, I'm

experimenting with some new formats that come with the computer so that we don't have to invest in new software, etc. Let me know what you think? This might not be the final format, but for now, we are getting the news to you in living color instead of "black and yellow"! Don't worry - I will still be able to print the birthday calendar each month as well - it will just look a little different also. If you have any input - please share with me. We are learning lots of new things during the Quarantine here at the office - using this opportunity to teach this "old dog" some "new tricks" :.)

LOST KEYS: A set of keys with the number 23 on them was found in the church library. If they belong to you, please contact Kim in the church office.
