**L**adies - save the date of March 24 on your calendar for the next Women's Fellowship. The event will take place at the Cabin. Our speaker, Linda Miller, will be speaking to us on *Walking by faith when there is no sight*. She will tell us her story and how God gave her strength in the days following her husband's murder. This is an event appropriate for adult women only. We will finish up the evening with refreshments following Linda's talk. Be on the lookout for a sign up sheet.

**BEYOND CANDY HEARTS AND ROSES**

**T**he first half of February seems dominated by pink and red cards and candy. But people not in a loving

romantic relationship can sometimes feel left out of the festivities. Of course, all people need love - and certainly love is not limited to the romantic kind. Author Leo Buscaglia, who became known as "Dr. Love" for writing about the topic, said, "too often we underestimate the power of a touch, a smile, a kind word, a listening ear, and honest compliment or the smallest act of caring, all of which have the potential to turn a life around."

Jesus taught that loving one another is second only in importance to loving God (Matthew 22:37-40), and that when we love one another, God lives in us (1 John 4:12). There are so many ways to do that - beyond candy hearts and roses! But Valentine's Day is as good a reminder as any.
