**GOD OF LOVE - FOR,
WITH AND IN US**

An ancient heresy - that the God of the Old Testament was a God of judgment and wrath, while the God of the New Testament is a God of grace and love - still persists a bit. Yet God is the same God, with the same characteristics, throughout time. Way back in Genesis 3, God graciously sewed garments to clothe humans, although they had disobeyed him. And even in the Gospels, God's anger was evident through Jesus' response to temple moneychangers cheating the poor.

God always works for life and goodness in all things. Sometimes people misunderstand God's ways; sometimes God, like a human parent, uses "tough love." Mick Brooks writes: "The Old Testament is God for us, the time of Christ is God with us, and the age of the Holy Spirit is God in us". (*Every Day With Jesus*, Sept/Oct 2020). That may be a bit simplistic, but it's a good reminder that while God's ways of interacting with us vary, he - the God of Love - does not.

Our dear brother in Christ, **Clair Marnier**, went to be with Jesus this past Saturday, January 22. The family held a private family Celebration of Life yesterday. Our sympathy goes to Juanita, Karen Unternahrer and the rest of their families. Please continue to keep them in prayer as they grieve. Clair will be greatly missed.

Dear Church Family,
I hope everyone is doing okay and enjoying the new year. We have a bus that takes us out on rides through the country. For Christmas the driver took us to all the pretty lights in the town of Zionsville. I enjoyed that a lot! May God bless you all!

Do you throw loose change in a container at home? Are you looking for a good use for piggy bank change? Did you recently vacuum the couch and find unclaimed coins under the cushions? How about donating them to Compassion Pregnancy Centers of Northeast Indiana. Your change can make the difference! All money goes toward the ministry - promoting life, protecting the unborn, supporting families and proclaiming the name of Christ. Pick up a baby bottle in the Foyer and fill it with change to make a difference!

Iwanted to send a note to show my appreciation of your support. (Prayer, kind words and financial). 2022 is a year that we believe God is enabling us to double the amount of youth, children and adults we'll reach with the scriptures presented through this ministry. We are completely sold-out on His grace filled Word and Holy Spirit to be the guide we need in this current day and beyond. I thank God for you and for standing with us in 2022.

Praises & Prayer Requests for Josh & Maria Mishler Family - Missionaries with Wycliffe Translators in Kandern Germany

Praise:

1. For good health
2. Our Eurasia Area group has had no major crises in the last few months, so we are praising the Lord for continued safety of our colleagues and the people they are working with.
3. Travel and meetings in person are finally starting back up again.

Prayer Requests:

1. Josh is extra busy with several training events. Both giving (security, IT) and taking (Crisis Debrief) training. He also has some travel to various countries for meetings in the next months. Pray he stays healthy and that they will be to continue to have these meetings in person. Pray also for the planning and logistics of these events/meetings.
2. Josh is also busy helping to assess the risk of our colleagues returning to life in one of our countries (they were

evacuated this summer) and helping to determine what life back in this country would all entail.

3. These past weeks have been extra stressful for Josh with various situations needing attention on top of the ever-changing rules, regulations, and daily life activities due to Covid.
4. For health for each of us during this Covid time.
5. Pray for all our kids' school administration to have great wisdom in knowing how and when to allow different activities (there are always different options on this) as they keep in mind the social, emotional and physical needs of our kids and their teachers. We want to continue to be a good exempt of Christ in our village of Kandern in the ways we live life with Covid.

Thanks for supporting the work of Bible translation through your prayers for us!
