**THE MINISTRY OF QUILTING  
AND OF MENDING HEARTS**

To sew is to pray...We mend...turn things inside out and set things right. We salvage what we can of manmade garments and piece the rest into blankets. Sometimes our stitches stutter and slow...Other times the tension in the stitches might be too tight because of tears but only we know what emotion went into the making.

## A Monumental Thank You!!!

Upon the writing of this article, VBS 2022 is in full swing! The children are having a great time learning about the life of Joseph and the salvation of Jesus! Marion Church has done an amazing job of hosting this year from decorations to snacks to those leading our worship times!! Thank you Marion Church and Emma Church for going above and beyond the call of duty to ensure the children have the best experience and learn much about the greatness of God.

Shore VBS directors of Quail Trail Preschool want to give out a huge thank you to all of those who have set aside their whole week to come each night and serve the children. Whether you are telling the story, serving as a crew leader, making crafts, teaching them bible principles through kid vid cinema or entertaining them on the playground - your willingness to serve in this

way is “**MONUMENTALLY**” awesome to us and to the children! Thank you, thank you for giving to the Lord in this way!

Thus far we have had between 70 and 80 children in attendance each night, 20-22 in the Preschool area. Offerings this year are helping an organization called “Kate’s Kart” who provides a new book cart service to children in the hospitals. Sick children are cheered up a little by being able to select a new story to read!

The VBS children were gracious givers this year and excited about giving to the project.

Blessings to all of you are serving in VBS in any way. And thank you to all those that have prayed for a successful and smooth week.

**THANKS to Our VBS Volunteers!**

## SOUL CARE THROUGH STUDYING

Summer isn’t often associated with studying, but it can be an ideal time to dive into God’s Word. Just keep in mind: Studying the Bible involves more than merely reading the words. The process begins with a humble spirit to not only gain information but to let Scripture transform you.

I’ve heard about various practices for Bible study. Some people set aside a special place, with multiple concordances and commentaries at their fingertips. I thrive on a bit more variety. Comparing a couple of Bible translations and paraphrases proves helpful for my studies.

Renovare’, Richard Foster’s institute that aims to help people become more like Jesus, advises: “It is vital to study not only books but also those things around us such as nature, relationships, events and cultural values.” What are the most meaningful ways for you to study God’s Word?
