CAN'T PRAY? FIRST REST!

Weariness can seriously hamper our attempts to pray, says Bonnie Gray, author of *Whispers of Rest*. “We are a generation who doesn’t know how to express our souls to God, even though we drive ourselves exhausted, doing for Jesus.” The solution, she says, is to stop and rest.

The stressed-out, despairing prophet in 1 Kings 19 is a prime example. “God knew Elijah needed a physical rejuvenation first — in order to hear his gentle voice, whispering in a gentle breeze,” Gray notes. Guarding against the depletion of spiritual, physical and emotional resources can improve our ability to hear God’s voice, too. “When you find it’s hard to pray, don’t be afraid,” says Gray. “Your’e standing at the very cusp of who God longs to connect with. The real you. Take the time to rest. You’re worth it.”
