Hooray!
The church

Directories are here!! We have a good problem though! We have several people who have started attending since the photos were taken and the directory put together! Although we are sad they are not in the directory - we are so glad they are here!

Please see your updated contact information directory that was in your mailboxes last week for the phone numbers/emails/addresses of these individuals who are very new or returning to our church family.

Lots of changes going on at Shore Church! All

good changes! Not only are there lots of new faces amongst us, we're undergoing a major renovation and meeting for Sunday school in different spaces, our Library is also undergoing some revisions.

In an effort to make the Library more efficient for meetings, classes who study video series, etc. it will become a condensed version. A white board for planning, a TV for small group studies will be installed.

Librarians will be cleaning it out and putting out the old books and items that are no longer needed. Be on the lookout for your opportunity to take some of those resources home with you when they sit them out on the free table in the coming weeks.

Since our Sunday school classes will be under construction, we will have a

new schedule for the classes. Some will meet prior to the service since space is limited. This plan is effective Sunday, October 23, 2022.

Class 19 - meet after worship in the sanctuary

Class 20 - meet after worship behind the sanctuary, near the balcony entrance

Class 22 - meet before worship (8:15) in the fellowship hall

Class 23 - meet after worship either at the cabin or on the landing at the east side of the fellowship hall.

Class 24 - meet before worship (8:15) behind the sanctuary

Class 25 - meet before worship in the library

Class 28 - meet after worship in the library
