# HE *Went* FIRST

If you haven't picked up a T-shirt displaying this years theme please make sure to stop by the table in the lobby. If we don't have your size, put your name and size needed on the sheet on the table.

**Y**ou will also notice that behind the sanctuary there is a **"He Went First Board."** This board is designed for the congregation to share how they have seen Jesus at work in their lives. Contributing to this board can be done in a few easy steps:

1. Grab a card from the basket at the bottom.
2. Write down your experience
3. Pin it to the board
4. Read other cards about how Jesus was at work!

### WISDOM FROM MLK

I am convinced that love is the most durable power in the world. It is not an expression of impractical idealism, but of practical realism. Far from being the pious injunction of a Utopian dreamer, love is an absolute necessity for the survival of our civilization. To return hate for hate does nothing but intensify the existence of evil in the universe. Someone must have sense enough and morality enough to cut off the chain of hate and evil, and this can only be done through love.

—Martin Luther King Jr.
