We Dedicate
This Child

There will be a child dedication service at Shore on Mother's Day, May 14. If you would like your child(ren), of any age, dedicated please contact Pastor Nic or Kim in the church office.

Our condolences to the family and friends of Katie Shinn, formerly of the area and member of Shore Church. Katie went to be with the Lord on Monday, July 17. She was a good and faithful servant and will be missed.

Thanks to the Girl's Club and their awesome sponsors for hosting a Church wide skating party at Eby Pines. 68 energetic skaters took to the floor. 20 enthusiastic supporters cheered them on from the side lines.

Sign up in the lobby today to help. Parents see the bulletin board in the lobby to scan a registration code for your kids!

How Great Thou Art
From Nancy & Ron

We Praise God for our bountiful blessings. March 29th could have gone much differently. Yet, God was with us and blessed us. My 6 1/2 hour surgery went well, only suffering some after effects common from a long and complicated surgery.

Ron fell as a result of a 101 temperature, causing him sudden uncontrollable dizziness. Being on blood thinners, Ron could have had a major brain bleed from hitting his head. Again, our Lord, God was with us, protecting us, leaving Ron with only a separated shoulder, bumps, bruises, etc. How blessed are we!

We are home recovering together with home nursing and PT, getting us back on our feet again. Among the greatest blessings of all, our Pastor, church family, Amish family, friends and neighbors; raking our lawn, cleaning our home, flowers, calls, cards, visits, meals etc. We are overwhelmed and humbled by the show of support, love and prayers. God bless each and every one of you and *Thank You!* We are looking forward to being back among you all soon!

Who's New in the Pew?

Ron and Roberta Casper have been married 38 years. They have three children and 6 grandkids. They are both retired. They were both born and raised in Southern California. Ron was a meat cutter and worked in Aerospace. Roberta worked at a School district. Rons says that California became a little too crazy for them so they decided to pack up and move to Indiana approximately a year and a half ago. The Caspers say; "We love it here and we love our new church. We have made many new friends here."

We are thankful for their service in the food ministry and seeing their smiling faces when they serve us coffee every other month! Thanks for serving us so well Caspers!
