JUST LIKE DAD

At the beginning of his ministry career, Jerry Steen supplemented his income by mixing animal feed. When his two young boys greeted him at home, they laughed at his dusty appearance before he headed to the shower.

“I didn’t think too much of this until I was washing my car and saw my older son doing something very strange,” Steen recalls. “He was picking up the gravel and stones in our drive and rubbing them into his pants.” Curious, the father asked what the boy was doing. “I want to be dusty like you, Dad!” his son replied.

For Steen, that was an eye-opener. “I realized that if a child would look up to his father for being dusty and want to copy his father,” he says, “a child could look up to his father and follow him for anything.” What traits and qualities are you modeling and passing on — to your own kids and to anyone else who looks up to you?

Stellar VBS took place this past week. As in past years, Shore, Emma and Marion Churches joined forces to make a “space-tacular” team. It was Shore’s turn to host this year and we were thankful that the State Inspector gave us permission to use the basement area for the one week of VBS only, so we enjoyed getting to use the new space.

The stellar space theme was used to teach the children how to Shine Jesus’ light:

- When life feels dark
- When people don’t get along
- When good things happen
- When people are sad
- When people need help

Directors Amanda Sherck and LouAnn Sherck wish to extend a big STELLAR Thank You to all those that gave of their time and talents to make the week a success. Whether you prayed for the event, were a crew leader, did skits, led songs, made crafts, fed us delicious snacks, taught the story, explored the Bible, ran recess or any of the many other actions needed, we

Could not have done this without you! We are so thankful for all of our church family and our friends at Emma and Marion for shining Jesus’ light onto the children this past week.

The VBS Volunteers are truly “out of this world”!!

A good Father is one of the most unsung, upraised, unnoticed and yet one of the most valuable assets in our society.
