Oh! how great and glorious a thing it is to have before one the Word of God! With that we may at all times feel joyous and secure; we need never be in want of consolation, for we see before us, in all its brightness, the pure and right way. He who loses sight of the Word of God, falls into despair; the voice of heaven no longer sustains him; he follows only the disorderly tendency of his heart, and of world vanity, which lead him on to his destruction.

Volume 33 Number 39

Missionary and author Elisabeth Elliot says our sovereign God is worthy of unquestioning obedience in large and small matters. Such trust yields mighty results, she adds, providing Christians with rest, peace and guidance.

"God is God," says Elliot. "Because he is God, he is worthy of my trust and obedience. I will find rest nowhere but in his holy will that is unspeakably beyond my largest notions of what he is up to."

About the role of obedience in prayer, Elliot asks, "Does it make sense to pray for guidance about the future if we are not obeying in the thing that lies before us today? How many momentous events in Scripture depended on one person's seemingly small act of obedience? Rest assured: Do what God tells you to do now, and, depend upon it, you will be shown what to do next."
