**CELEBRATE THE LIGHT**

Bursting through December nights that could be long and cold, our Christmas lights bring warmth and joy with colors soft or bold.

Cascading from the rooftops, and from trees both small and tall, the lights cry out, "We have good news! We want to shout to all.

"You've seen the darkness earth can hold, the sorrow, war and fear; but God has sent his Son for all, to show his Love is here.

"The darkness can't put out God's Light. Christ's with us day by day, illuminating paths so we can follow in his way."

Light homes and streets and candles. Make your world shine clear and bright. God's love surrounds and blesses us. Come, celebrate God's Light!
