The background of the slide features a close-up, slightly blurred image of various coins and currency notes. The coins are in shades of silver and gold, with some showing intricate designs and text. The overall tone is warm and textured, suggesting a focus on money and financial matters.

A lit candle is held in the cupped palms of two hands. The candle is lit, with a bright yellow flame and a small blue flame at the top. The hands are cupped around the candle, and the light from the candle illuminates the skin of the hands, creating a warm, golden glow. The background is dark, making the candle and hands the central focus.
