**C**olleen lives in Shippshewana. She has been attending Shore for a few months now.

She loves to sing, read books, and spend time with her fur baby, Belle. They especially enjoy taking walks together.

Colleen is a bit of a "shutter bug!" Nature and her girl Belle are her favorite photo subjects!

For almost six years, she has worked for Five Star Canine. They are a dog breeding business owned by a nice Amish family.

Colleen says that Five Star Canine is a state-of-the-art building complete with play yards, so their sweet dogs and pups can play and have fun. They make sure all their puppies are well cared for and when they are old enough, they ensure that they go to good homes.

If you see Colleen - say Hello and get to know this lovely young lady who has a big heart for all of God's beautiful creation!

**I**would like to thank all who have reached out to the Johnson family this past year. Help seems to come right when

we need it the most. I don't know what I would do without the help, support, and prayers from you all.

We are in our new home in Emma now. Thanks again to everyone...I appreciate each one of you so much.

Love Sheila Johnson
