The Sermon on the Mount is not a set of principles to be obeyed apart from identification with Jesus. Christ. The Sermon on the Mount is a statement of life we live when the Holy Spirit is getting His way with us.

Vacation Bible School is slated for June 10-14 at Emma Church. Registration has begun! Registration forms

were in the mailboxes last week and there are some on the sign in table. There is also an opportunity to sign up to volunteer at the sign in table today as well.

Have you heard of LifeWise Academy? It is a program where students can be released from public school during school hours to attend religious classes. LifeWise is a program that provides all the tools for our community to make this opportunity available to our students. Tens of thousands of public school students around the country attend LifeWise Bible classes each week and it can happen here too! To continue moving forward with the process, our community needs to show broad support by gathering signatures. To sign up follow likewise.org/interest.

Signing is simply your way of saying, "Yes, I would like to see the Bible taught to our public school students."

There are 17 women heading to Jarabacoa Dominican Republic from June 15 to June 22. Please be in prayer for these

ladies as they prepare themselves and their households for this trip. Some will be leaving small children behind, They will be working at various ministry sites for the week including health care, women's social work, pre-schools, special educations schools, and women's sports.

This trip has been over a year in the making and is finally happening. Several of you have asked about helping financially with this trip, if you choose to do so, please make the check to Shore Church, and put "Women's DR trip" in the memo line, then place it in the offering box in the back of the sanctuary. Included in the trip are 8 sets of mother-daughters, 2 mother-daughter-granddaughters, and one set of twins.
