Hello Shore Congregation!

Congratulations on your 150th Anniversary - sorry I am not

able to join the celebration.

We had the pleasure to serve at Shore for 13 years, starting when Brent was studying in Seminary in 1996. Brent passed away in early 2018, and we were very appreciative of the care we received from you all, when he was ill for 4 years.

I have good memories of our time at Shore; Brent and I were able to share in some of the most intimate and trying times of your lives, and I remember thinking, what a sacred privilege and honor it was to be present with you.

Brent was grateful for his time at Shore, your acceptance and support of him was very meaningful. Your congregation has been blessed with a sincere desire to know God and do His will. The search for how best to do this is very much a part of the church's historical culture. I pray this desire continues and that God will faithfully bring it to fruition.

Blessings to you and love in christ,

Heidi Eash
