### HUNGRY FOR JESUS

**M**any residents of first-world countries avoid true physical hunger, grazing at the slightest stomach rumble. Spiritually, the opposite is common. Many people run on empty, unaware of or rejecting Jesus' free gifts of grace, love and abundant life.

In her Magnificat, Mary proclaims, "He has filled the hungry with good things but has sent the rich away empty" (Luke 1:53, NIV). To be filled with Jesus, first we must empty ourselves and hunger for him. But what does that look like?

At Bible.org, pastor Steven J. Cole writes, "Starving people aren't interested in new smart phones or computers, unless they can somehow sell them to buy food. Hungry people have one focus — where to find food. It consumes their whole existence. ... That's how we should hunger for God!"

Spiritual hunger leads to a feast of God's blessings. He generously gives us gifts that overflow into the lives of others. So let's share Jesus with people who are starving for him!
