**A** mission trip to the Dominican Republic is being planned for June 1-8, 2025. This will be a mixed group of men and women.

After last year's women's trip, there was a lot of discussion from women on that trip who wanted to take their husband, so, here is your chance. We have 15 spots reserved and will not be able to go over that amount of people. There will be a short meeting to answer questions right after Sunday school on Sunday January 26th in the library for those that have interest. If you can't make the meeting, reach out to Mike Unternahrer (260-499-0647) or Karen Unternahrer (260-463-1628). They can try to answer any questions you might have. They will need solid commitments by April 6, 2025.

Who's New in the Pew?

alongside her siblings. Her sister, Roberta Steider, still attends here. She left Shore at 18 and is now finding her seat in the pew once again!

Carol has been very busy and had lots of amazing experiences over the years. She was an Elementary school teacher, worked at Goshen Hospital, and delivered motor homes across the US and Canada.

She is mom to two children and one grand-daughter Nyah. Her daughter, Heather, lives on the Big Island of Hawaii where she teaches school. Her son Jeff works for a security system.

Her grand-daughter lives in Arizona where she will be going to college to be an Ultrasound Technician. Sounds like Carol has lots of warm places to visit! We're so glad you're here Carol!

**GOD IN CHURCH OR NATURE?  
YES.**

**C**hurch isn't designed to be an alternative to the real world. Worship is a time and space apart from the world in order for us to find our way out into the world. Worship isn't a man-made place distinct from the beauty of the natural world; at its best, church is a place where we realize God's glory in the world we find ourselves in. ... Do I find God in a church? or out in nature? Yes. ... In church I hope to sharpen my senses so I can discover the house of God everywhere.
