LOVE MAKES US WORTHY

Unlike God, who loves unconditionally, humans often make choices and set limits when doling out affection. But Thomas Merton reminds us, "Our job is to love others without stopping to inquire whether or not they are worthy. That is not our business and, in fact, it is nobody's business. What we are asked to do is to love, and this love itself will render both ourselves and our neighbors worthy." As for how to develop and maintain that type of love? Merton shares, "It is in deep solitude that I find the gentleness with which I can truly love my neighbors."

Next Sunday, March 2, 16 men will be leaving early to spend the week in Amory, MS working on behalf of Mennonite Disaster Service (MDS). They will be working on construction of new homes and also repair of homes that were damaged by tornadoes in the fall of 2023. Please pray for safety as they work and travel and also as they build relationship with each other and the homeowners they will be working for. Please keep these men in your prayers this week:
