### TIPS FOR GARDENERS

“Love is to the heart what the summer is to the farmer’s year,” said evangelist Billy Graham. “It brings to harvest all the loveliest flowers of the soul.” Without summer, our gardens would disappoint, and without love, our hearts wouldn’t bloom.

The warmth of summer and love aren’t the only ingredients required for abundant physical and spiritual crops, however. Discernment and persistence ensure fruitful yields in both areas. “Unless we know the difference between flowers and weeds, we are not fit to take care of a garden,” advised Clyde Francis Lytle. “It is not enough to have truth planted in our minds. We must learn and labor to keep the ground clear of thorns and briars, follies and perversities, which have a wicked propensity to choke the word of life.”
