ANNOUNCEMENTS

Brethren Retreat Center announces their 2025 Ladies Retreat November 7-8. This year's event is called "Sanctified for Service." The weekend includes guest speaker Angie Vandewarker and music led by Joy Smith, a meal in an Amish Home, a variety show and overnight accommodations (just to name a few) If you're interested there is a brochure on the bulletin board across from the restrooms and several more brochures on the shelf under the mailboxes.

The church office received a box this week from Heidi Eash, wife of the late Brent Eash who was a former Pastor here. In 2003, they went to Mennonite World Conference in Zimbabwe with the blessing of Shore. They took with them a banner from our church (I believe it was sewn by our sewing ladies). Before they left everyone had an opportunity to sign the banner and it was then displayed amongst banners from all over the world. Heidi has returned it to Shore. If anyone is interested in seeing the banner or giving it a good home please contact Kim in the church office.

Did you know that Stewardship Commission has a Funeral Planning guide available. This guide can be filled out so that your family knows your wishes. It's a very helpful resource for grieving families who have to make hard decisions. Contact Kim if you'd like to fill one out. A copy can be kept in your church file.

Members of Shore Church,

Thank you for hosting Elijah Haven Crisis Intervention Center at your community fair. We are always happy when given the chance to share our resources with community members who are supporting us financially or experiencing domestic violence themselves. Continuous awareness of our organization insures that individuals or family members of those in domestic violence situations know where to turn for help. Financial support and giving of resources allows Elijah Haven to continue to provide support to those in crisis, Last year alone we served 434 primary and secondary victims as well as providing awareness to our community.

Again, thank you for your support of Elijah Haven's efforts to accomplish our mission and empower survivors.

Sincerely,

Amanda Montague
