FROM KNOWING TO BECOMING

Get to know Jesus well because the more you know him, the more you'll love him. And the more you love him, the more you'll want to follow him. And the more you follow him, the more you'll become like him. And the more you become like him, the more you become yourself.

Shore Church has had an active Mentoring program for almost 30 years now! The program gives kids 6th-12th grade the opportunity to choose an adult

mentor from the church that they would like to walk beside them in their faith journey. Mentors & Mentees spend one on one time doing activities together, as well as, participating in Church wide mentor activities .

Shore currently has 14 Mentor pairs who are actively growing in their relationship with each other and with Christ. If your child has the opportunity to choose a mentor, please prayerfully consider taking part in the program and helping your child choose a person that can help them as they grow in Jesus.

If you need more info about the program contact Dora Eash. For our current mentor pairs, there is a kick-off luncheon event taking place November 9, after Sunday school in the Fellowship Hall.
