When Paul and I started coming to Shore, we were invited to the oldest class by Waneta "Honey"

Miller. I knew we should have been in a different class but we appreciated the invitation by this tiny little lady who had so much love in her heart for Jesus and the church.

There I have remained all these years. I so appreciated the special dinner that Class #22 hosted for our class on Sunday, November 23. I was surprised at how big their class is and how many people I didn't know. I was thankful to Bev Hooley who led the group in a time of getting to know each other. This was helpful for all of us.

The food was great but the fellowship was greater! Thank you Class #22.
