**T**his morning, February 1, 14 men left for a Students International work trip to Guatemala to install some ceramic tile on the second story of the Community Center Building. Please pray for good connections at the airport, safe travels, good relationships within the team and with the local Guatemalans. But more than anything else, that God would be honored in our work and in our attitudes while there and that the group could be a blessing through God's help to the local people there and the SI staff.

**From Shore:** James Miller, Grayson Miller, Gary Yoder, Rich Stoltzfus, Jared Berkey, Norm Miller, Shawn Ellis, Gerald Nisley, Mike Unternahrer.

**From other churches:** Dana Bontrager, Caleb Bontrager, Eli Gingrich, Jerry Yoder and Mark Ropp.

**W**hen the Word is so good, even the reverb wants to listen quietly!! You may have noticed that the Fellowship Hall and Sunday school rooms are a bit quieter these days! RYLM teamed up with Shore Church to receive a grant from the DEKKO Foundation to purchase sound panels. The sound panels are designed to absorb sound waves to reduce echoes and background noise. This simple solution has made for a quieter, more peaceful experience in both RYLM and Shore Church's happenings. Thank you the Stewardship Commission and volunteers that took the time to install each panel!
