The Garage Community Center, located at 111 W Lafayette St. in Lagrange is looking to connect with the community by continuing their Community Serving Community meal program. There is a paper hanging on the bulletin board by the restrooms that describes their mission and their needs. Please feel free to take that form if you feel led to help them in this ministry.

PRECIOUS LORD, TAKE MY HAND

Thomas Dorsey, a jazz musician from Atlanta, made a bold decision in 1926 to leave behind secular music and devote his talent to writing songs for the Lord. But following that call wasn't easy. During the Great Depression, many church leaders criticized his soulful gospel style, calling it "the devil's music." Dorsey later joked, "I got kicked out of some of the best churches in the land."

Then, in 1932, tragedy struck. While in St. Louis for a revival, he received a telegram that his wife had died suddenly during childbirth. His faith was shaken to the core, and grief nearly silenced him. Yet in his deepest sorrow, Dorsey turned back to what he knew best — music. Out of that heartbreak came one of the most beloved hymns of all time:

*"Precious Lord, take my hand,
Lead me on, let me stand.
I am tired, I am weak, I am worn..."*

Dorsey's song reminds us that even in our valleys, God is near — guiding us, strengthening us, and using our pain to comfort others who walk the same road.
