TEACHER TAG-ALONGS

Shadow a Primary Sunday School Teacher and explore the possibility of serving in this way.

If you’ve ever considered teaching in the Primary Dept. but were unsure about the curriculum, layout or how it might fit into your schedule, Teacher Tag-along is for you. It’s a great way to sit in a class and get acquainted with what is involved. Sign up today in the lobby or talk to Christi Schrock if you have any questions. Taking place in March. In alignment with our Safety Policy a background check is required.

The Lima Community church, formerly The Lima United Methodist Church, would like to thank everyone for your thoughts, prayers, and acts of kindness through the past 2 years. We are excited to say that we have purchased our church building back and for the past several weeks have held Worship in the building again. After not being able to disaffiliate from the United Methodist Church, the congregation was in agreement that we needed to stand together and show that God’s word is worth standing up for. We made a very hard decision and closed down the church and became the Lima Community Church. We would like to thank all of the local churches who offered us a place in their buildings so we could keep worshipping together. For the past 9 months we have worshiped in the Brighton Chapel South building. The love shown by Brighton Chapel was a true act of God’s love.

The Community has been so supportive during this hard time. We cannot express how thankful we are for everyone’s support, kindness in so many ways, and most of all, the prayer that has helped us through a very difficult time. It will never be forgotten.

Thank you so much and God bless you all - Lima Community Church.
