CONGREGATIONAL SURVEY

The Gifts Discernment Commission has put together an *Opportunities to Serve* survey. They would like 100% participation for the survey. There was a post card in your box last week with a QR code. Point your cell camera at the code and click on the yellow bar that pops up, take the survey from there. Easy-peasy! If you're not tech savvy, written surveys are available on the sign in table and can be put in the Church office tray under the mailboxes once complete. There are many ways your gifts and talents can be used to serve the church, the community and beyond. Please prayerfully consider the areas you feel led to serve. The results will be tabulated and given to the commissions and Leadership Team as they work to fill the appointments for the new church year, beginning in September and for years to come. Thank you for participating!

WHEN LIFE NEEDS A LITTLE WIND

Botanists say that trees need the powerful March winds to flex their trunks and main branches, so that the sap is drawn up to nourish the budding leaves.

Perhaps we need the gales of life in the same way, though we dislike enduring them. A blustery period in our life is often the prelude to a new spring of life and health, success and happiness, when we keep steadfast in faith and look to the good in spite of appearances.
