### Who's New in the Pew?

**W**e welcome Daryl, Karen and Jayvon Mast who have been attending Shore for 4-5

months. We especially celebrate Daryl and Karen's decision to be baptized this weekend at the cabin.

Karen is from Ohio, Daryl is from the Shipshewana area. Both of them grew up in the Amish Church. They currently call Shipshewana home. Their son Jayvon is 7 years old.

The Masts were married here at Shore last August. Daryl works for Agape Construction. We are so excited to have the Mast family join us for Worship here at Shore! God Bless you Mast family!

*Update*

**T**he Facility Research Team is currently developing a master plan to help us maximize the use of our existing facility, while also exploring options to accommodate our growing congregation, our Ones, ministries, and future needs.

This mandate was given by the Church Council in October 2025 and communicated to the congregation in November 2025. Since that time, our team has been meeting regularly pursuing the given objective.

We are currently seeking to establish a working partnership with an architectural firm that can help us in reading a comprehensive master plan that is in alignment with the mission and vision of the church. Above all, we strive to

embrace the church's mission of loving God and loving others, and the great commission of making disciples.

We covet your prayers asking the Holy Spirit for wisdom and clarity as we continue this important work.

Eugene Bontrager, Kevin Lambright and Vicki Mowery received a very high affirmation by the congregation to serve another term as elders. Please keep them and their spouses in prayer as they commit to serve God and our congregation in this way.
