I want to thank you for praying for me during my ordeal I have been going through. Also for the calls, texts, cards and gift cards. I finished my antibiotic through my PICC line and am now taking oral antibiotics. I'll start physical therapy soon, helping me learn how to walk with a peg leg.

Thanks again. God is good!!

**S**mall groups meet during the week in a host home. They are a great way to connect with others in a more intimate setting and to draw closer to God and prepare for the upcoming sermon through study and discussion. If you are interested in taking part in a small group please sign up in the lobby. If you have more questions about small groups and what is involved, please ask any of our Elders and they will be happy to give you more information.

**W**hen parking for the 1st service please consider leaving some space open near the front for elderly members who are coming for second service and having difficulty finding a closer spot.
