ago. His family wants to thank Shore for praying for him as his health is improving! Praise the Lord for His provision over Asher!

Ciera Hayes asked for prayer for a friends son, Asher, who was dealing with health issues a couple months

Do you like to cuddle babies and experience their sweetness? Sign up to help in the nursery! Volunteers are needed and it's the sweetest job in the building!! You can volunteer for any amount of time - once a month, once a quarter, twice a year or for any of the services? Please prayerfully consider if you can give 1 hour of your time once in awhile to our precious wee ones! Contact Nona Yoder to volunteer.

Our mailboxes are filling up! A wonderful problem to

have! Because the name labels are changed so much they have become flimsy and fall out and sometimes come up missing or misplaced. We have found a new system that will be implemented soon (if not already by the time you read this). It is a magnet system that makes for easier transfer. When the boxes are all taken we will be using clear trays on the bottom shelf.

Also, a quick reminder that if you have items to put in a mailbox that are too big for it or take up most of the space in the mailbox, please put the item on the lost and found table in the Library. But, please don't forget to leave a note in the person's mailbox that their item is there. Sticky notes and pens are available on the lost and found table.

Thanks - Kim
