Mentoring

Youth entering 6th grade or those beyond 6th grade that are new to the church are eligible to take part in the Mentoring program here at Shore. Forms were put into mailboxes last week for those who are currently in 6th grade. If a youth would like a mentor, they and their parent prayerfully discern an adult in the church that they look up to and would like to spend more time with in a mentoring relationship. Mentors can provide encouragement and support in a young person’s faith journey. If your child is older than 6th grade, missed the invitation because they are new to Shore or maybe wasn’t ready when they were asked, but are now, please contact Kathy Troyer for more information.

There are various ways to tithe at Shore. Some prefer to use the offering envelope system. With this system the church office keeps track of

your giving and distributes a report at the end of the year for tax purposes. You can obtain an offering envelope by contacting Kim in the church office. Whether you use the offering envelope system or not, all tithes are collected in the offering box behind the sanctuary by the “MY ONE” board.

For those who don’t use the envelope system and write checks over \$250.00, those also will be receipted.

You can also give through tithe.ly.com. This app is available through the app store.

Did you know that every Sunday School class has their own fund that they can use to support missions or ministries of their choosing or to use for memorial gifts, etc? If you’d like to give an offering to your Sunday school class, this can also be done through the general offering. Simply write the amount you wish to give and to whom on your offering envelope or the memo line of your check that you place in the box. You can also designate funds through tithe.ly as well.
